REPORT TO VILLAGE COUNCIL

January 17, 2025

Police Department operations are running well. We still have an open position; the job opening is being advertised through local newspapers and the North Carolina League of Municipalities. As of the time of this report, no applications have been submitted. Officers have been working extra shifts to help cover during winter storms and busy times. I thank Bill Daniels and Public Works for keeping all Village Streets passable during snow storms.

Officer Brown, Officer Hicks, and I completed Axon Tazer 10 training on 1/7. Officer Buchanan and Officer Linkous will complete this training soon. I have completed the 2024 mandatory in-service compliance audit and submitted all compliance forms to North Carolina Criminal Justice Training and Standards. 2025 In-service is now available online through the North Carolina Justice Academy, and officers will begin completing these mandatory classes as time allows. I have no major incidents to report. Call volume is up this being normal for the time of year. For the upcoming holiday, I have extra officers scheduled, to assist with the influx of traffic.

I have attached our monthly activity log.

Residence Checks: 538, Business Checks: 645

Patrol Miles: 5,625

Respectfully submitted,

Chief Casey Turbyfill
