Manager's Monthly Report **January 20, 2026**

Street Repairs and Paving: Tri-County Paving has been in the Village the past two weeks on days the weather permitted, working on a small portion of the scheduled repairs and paving on streets that were damaged from Helene that they were not able to complete in December. They also were able to complete the repairs and resurfacing of the road section in front of the Convenience Center at Village Hall.

Timber Ridge Road: A Request for Bids for the Timber Ridge Road repairs project was advertised in December and four contractors submitted bids for the project on Tuesday, January 6, 2026. The low bidder was Tri-County Paving with a bid of \$209,524.80. Bid submissions ranged from \$209,525 to \$280,690. The total project cost is estimated at \$350,000. Once the contract has been executed, work will commence, weather dependent. This portion of Timber Ridge Road has been closed since Hurricane Helene in September 2024.

Tourism Development Authority (TDA) Board Meeting: The TDA Board met on Wednesday, January 14, 2026. The Board had a brief discussion on requests from businesses outside of Sugar Mountain being featured on the Village website and/or social media pages. Jeanine Hasty, Bramble Marketing, submitted the attached 2025 Yearly Marketing Report.

The November 2025 collections of the occupancy tax showed an increase of \$67,554 or 37% in comparison to November 2024. The occupancy tax collections for the period December 2024 through November 2025 (\$809,288) have shown a \$67,191 or 8.31% increase in comparison to the same period of 2024 (\$742,097).

Administrative Matters:

Advertisements for the Police Officer position vacancy, continue to run in the local newspapers as well as with the NC League of Municipalities job postings publication. To date, the Village has received one application for the position.
